Identity Collection

Identity Collection

The Identity Collection builds upon Innovant's 35 years of casegoods and desk design and manufacturing. Signature details are blended with customer driven design to provide private office and collaborative space products that are sized and finished to each project's exact requirements.

Innovant constructs our Identity Collection of office furniture in direct collaboration with our clients' design teams. Desks, credenzas, wardrobes, shelving, and wall boards are sized to fit, and detailed with hardware and accessories to suit each client's aesthetic standard.
