

INNOVANT

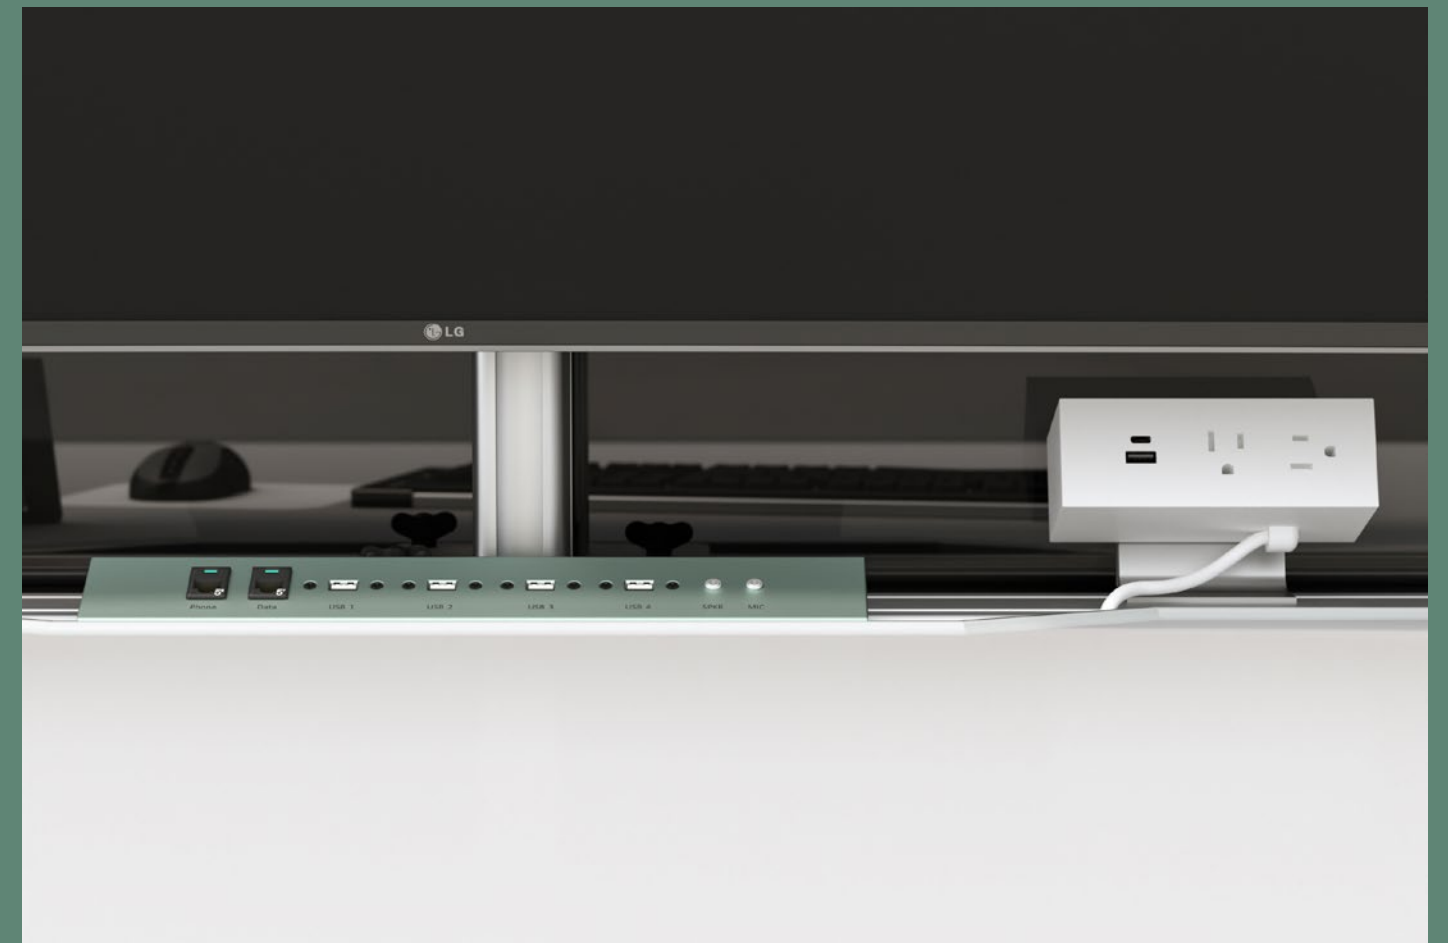

**V3 Trading Desk**

# V3 Trading Desk

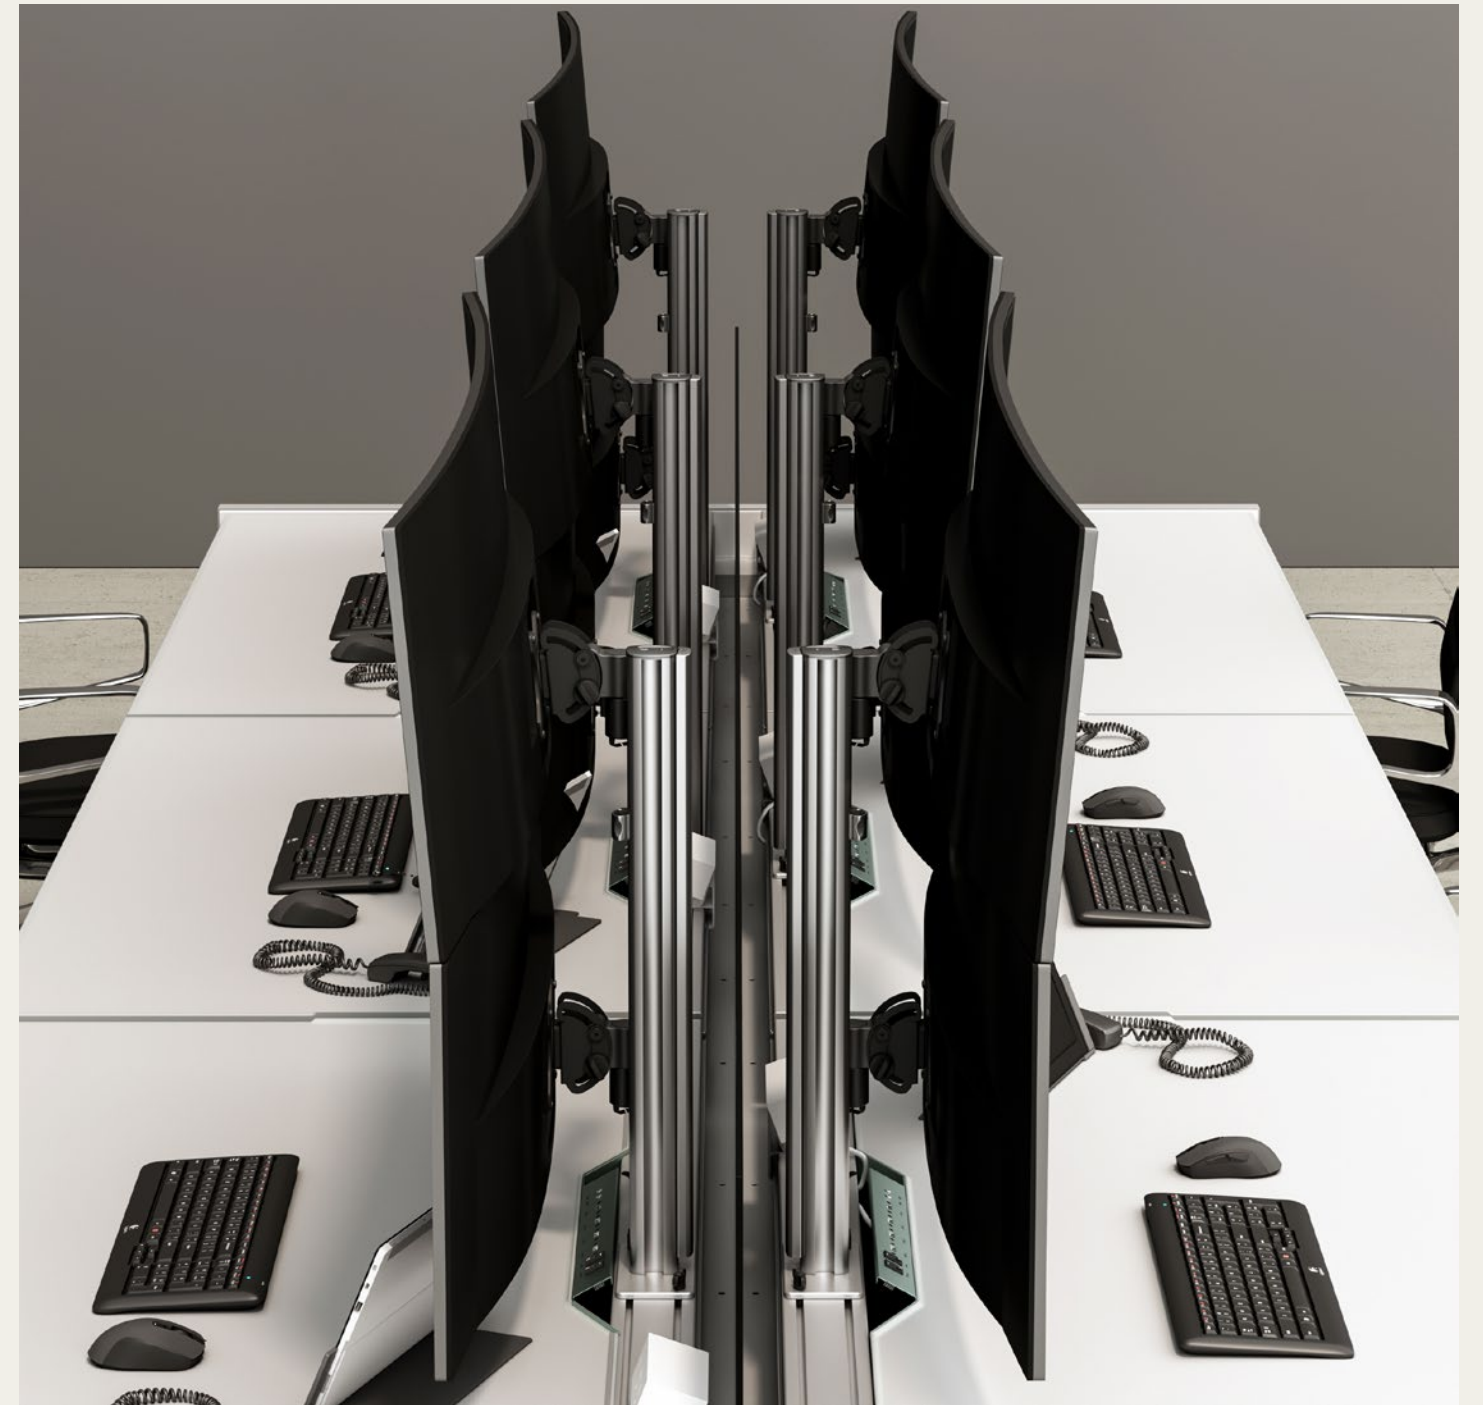

As processing technology on the trading floor trends toward single CPUs or VDI, the **V3 Trading Desk** brings you efficient technology management in a lightweight design.

Bring the connectivity of your trading CPUs direct to the desktop with Patch™ Desktop Connectivity

**Engineered to endure**  
 V3 Trading Desks are designed to lift multiple tiers of large displays and the technology that drives them.

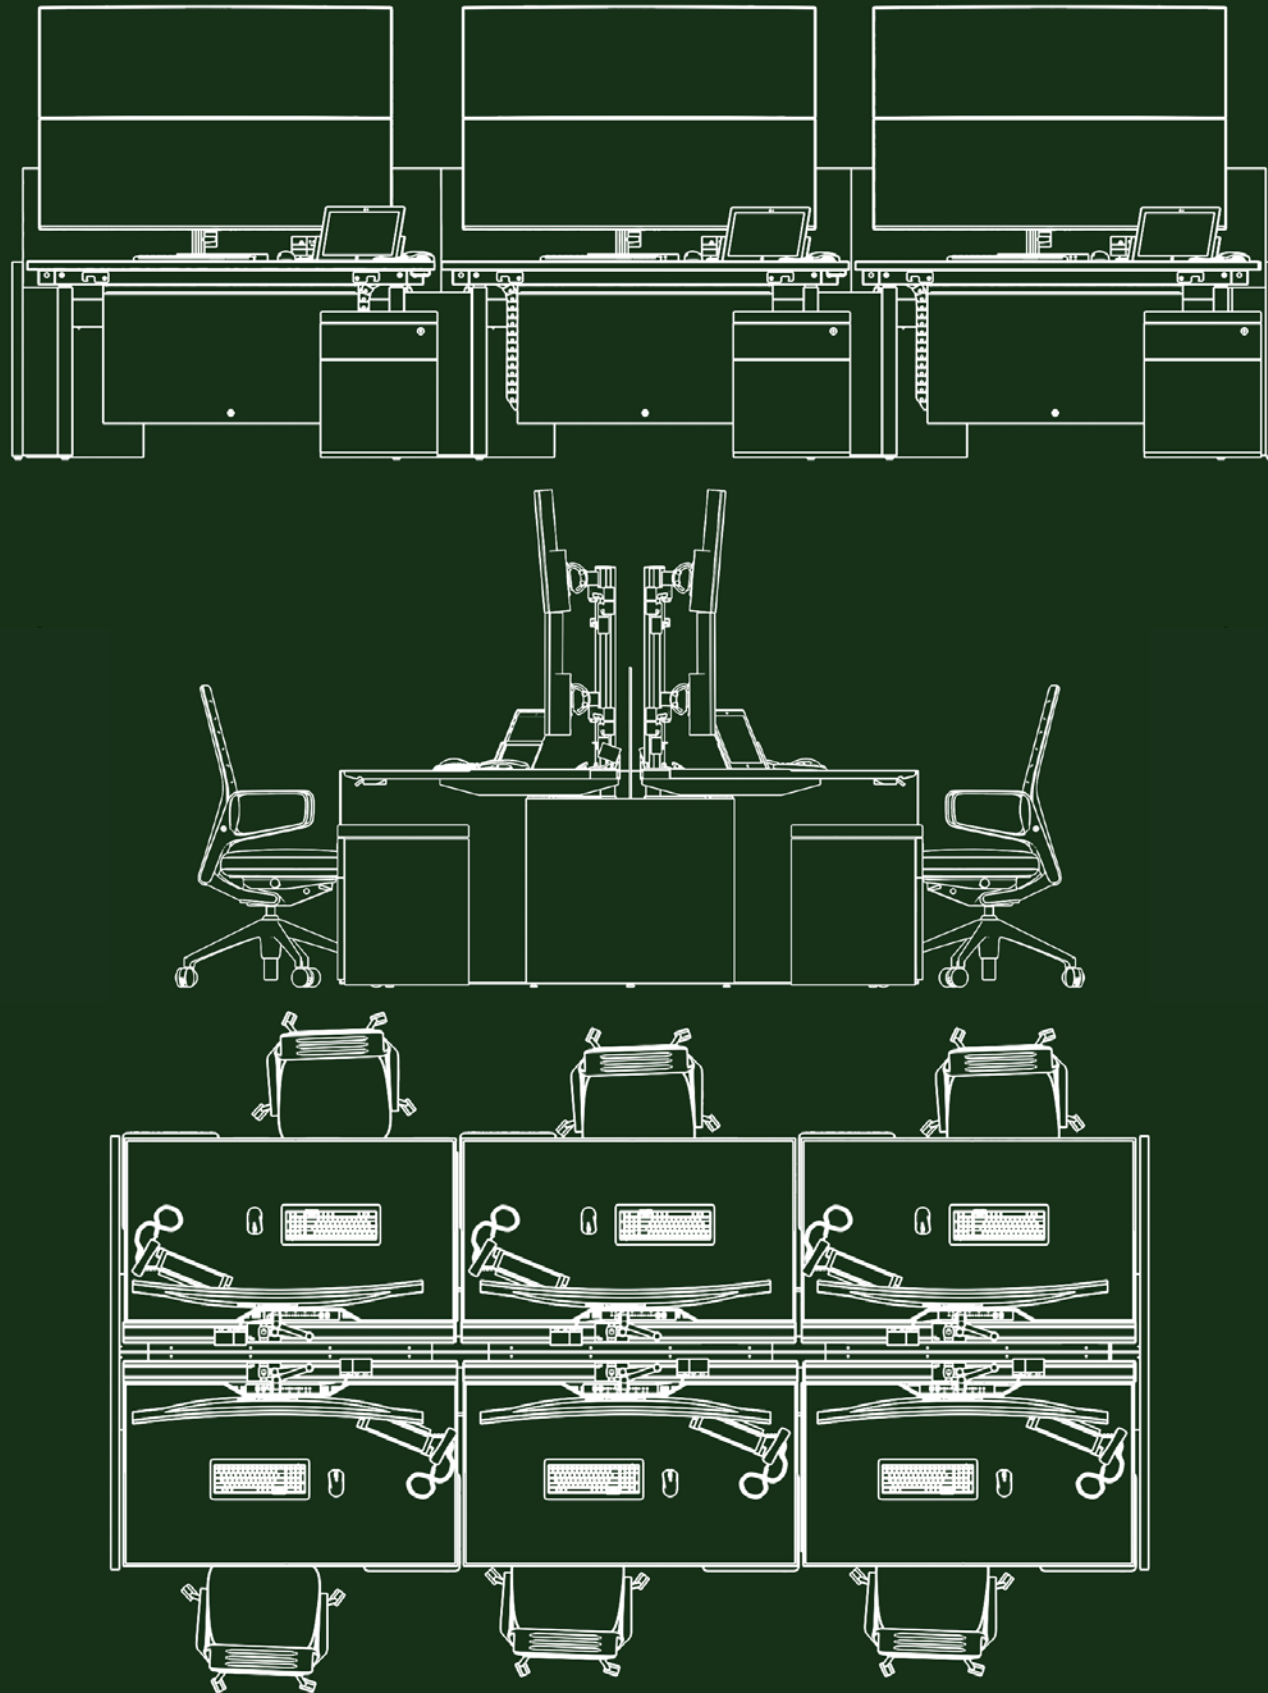

Hanging Technology Enclosure - Closed

Hanging Technology Enclosure - Open

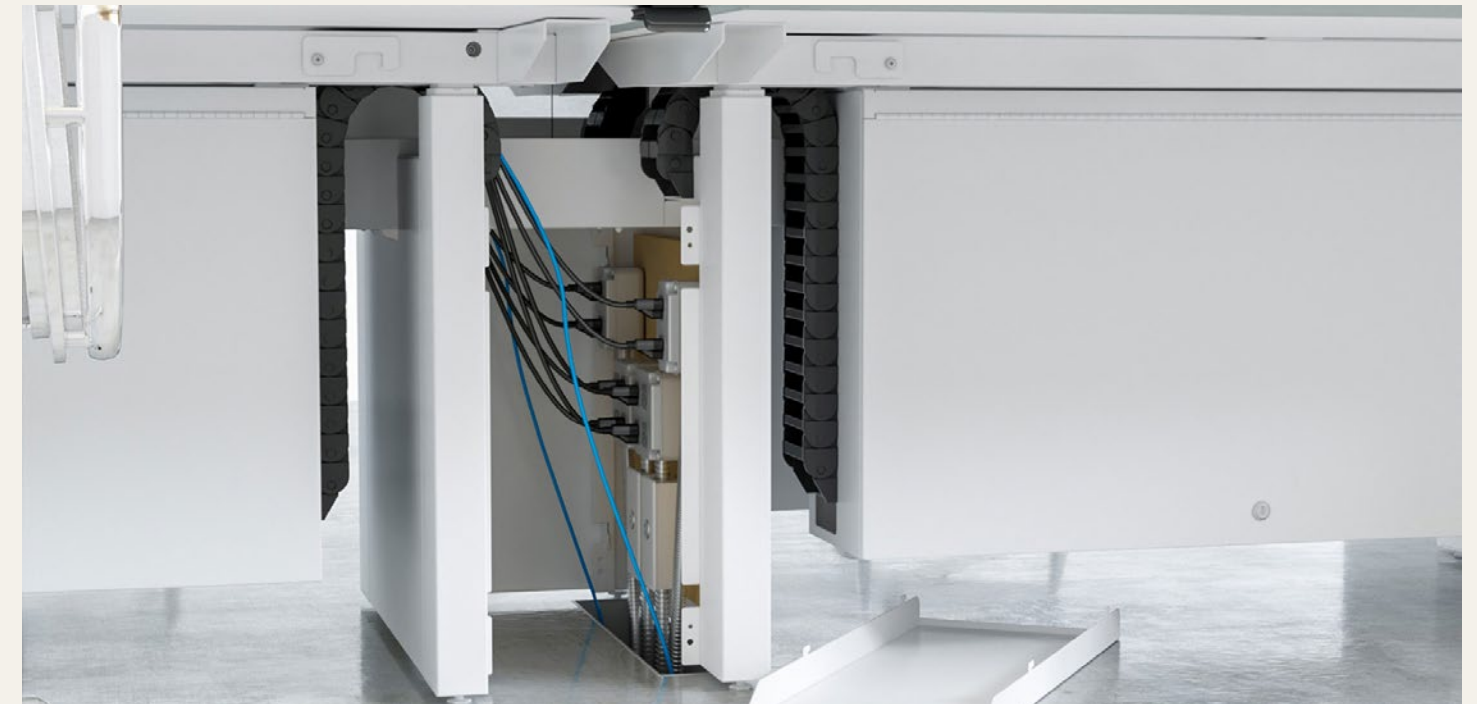

Key Dimensions

Powered For Purpose

Power and data are terminated between desks within sophisticated Power Hubs, accessible from the front and sides. Power and data is then distributed to the hanging technology enclosure through high capacity cable chains.

Surface Materials

Available Materials

Veneer, Laminate, Powdercoat, Fabric, PET, Glass & Acrylic

Visit our website to see a full materials and finishes guide:
